PACKAGING

UNIVERSAL MOUNT SUITABLE FOR IPS/SATELLITE DISHES

(SUITS TIN & TILE ROOF TYPES)

Features:

- Designed and tested for use with satellite dishes and ISP satellite dishes. Also compatible with a FB607313 Starlink Pole Adaptor (sold separately)
- Pre-Galvanised steel and UV-resistant materials
- Black powder-coating finish for additional corrosion protection
- Universal design allows for use on Tin and Tile roof types, for both satellite dishes and antennas
- Cyclone washers and rubber seals included to prevent water ingress
- Includes adjustable telescopic stays for more flexible installations
- Comes in full colour artwork packaging for maximum shelf appeal
